Lou,

Changes were made to the payout of the “separated class” for the Gurrieri lawsuit.

The date of the settlement being approved was the determination between the separated class vs active class.

Each member who had opted in, and who was separated from service as of the date the mediation is to receive \$2,000 for each year they were involved in the lawsuit.

Groups were determined based on sheets provided by the county. While analyzing sheets, the wrong determination was made on the number of years involved causing them to be placed in an incorrect grouping.

After disseminating the fact sheet to the members, it was brought to my attention that members were incorrectly placed in the groups they’d been placed in.

After further review, and additional research, the list for the separated individuals has been amended.

Due to people changing groups, and some getting placed in a higher group, monetary changes have resulted in an additional \$8,000.00. This brings the old total for the separated class from \$302,000 to the new total of \$310,000.

Everyone in the suit is extremely grateful for you agreeing to cover it out of your attorney fees. It shows why we have the best regional attorney in CSEA!

I apologize to you for any inconvenience this may cause.

Please let me know if I can assist any further.

Thank you!
